## GRAND JURY PROBE OF NEW HAVEN DEAL HAS BEEN ORDERED

### Atty. Hogan Makes Important Rulings

New York, July 22.—That prompt action by the department of justice will follow President Wilson's order to dissolve the New York, New Haven and Hartford monopoly and to lay the criminal aspects of the case before a grand jury, was the belief expressed at the office of District Attorney Marshall today. It is believed there that the dissolution suit will be filed within forty-eight hours, and that shortly thereafter a grand jury will be called to indict the multi-millionaires who, as directors of the New Haven system, built up the monopoly in New England territory. The suit against the system will be directed personally by Attorney General McReynolds, through one of his assistants. District Attorney Marshall will be unable to act in this case because of his work as a railroad attorney before he assumed his government post.

It is expected that the suit will provide for separating from the new Haven the steamship lines whose disposition under the agreement would have been decided by the interstate commerce commission.

Government officials here admit that President Wilson's decision is the first step in the greatest battle ever been waged in the courts between the government and illegal malactors of great wealth.

Backed by unlimited millions, the so-called directors will fight every step of the government.

## NO DISORDER AT BELMONT MINES

(By Herbert Temple)  
London, Eng., July 22.—Fears of civil war in Ireland over the exclusion of Ulster provinces from the operation of the Home Rule bill looked large in the public mind today, as the second session of King George's peace parley got under way at Buckingham Palace.

The streets about the palace were filled with people and Prime Minister Asquith and David Lloyd George, the chancellor of the exchequer, were loudly cheered when they appeared.

The speech made by the King at the opening of the conference tended to increase rather than diminish the political gloom. Dominant leaders among the Liberals expressed amazement today at the action of King George in breaking through the restriction which custom and the constitution imposed upon English monarchs.

The Liberal press is making a vigorous attack upon "Royal meddling" and there are strong

## LOCAL TAX RATES MAY BE REDUCED

### PHONE RATES WILL NOT BE INCREASED

Columbus, July 22.—Budget commissions throughout the state today are receiving instructions from the state tax commission directing them to hold public meetings for the purpose of discussing proposed tax levies under the new budget. This is the first move on the part of the state administration towards a reduction of the general tax rates following the legislative reduction of the state tax levy.

It is the judgment of the state tax commission that public meetings held under the auspices of the budget commission will prove to be a most potent factor in securing a lowering of the local rates. Both Gov. Cox and the state tax commission expect to keep in close touch with these budget commissions in a combined effort to reduce local taxes.

The action of the state legislature this week is estimated to have saved at least \$4,000,000 in taxes. The state tax commission believes the budget commissions can effect another reduction of at least \$4,000,000. This would reduce the tax rate one mill. In some localities, where duplicate has been greatly increased, an even greater reduction in the tax rate is expected by the state officials.

## GOVERNOR TO WAY FOUND TO SUICIDE

Springfield, O., July 22.—Being unsuccessful in committing suicide by drinking iodine, and slashing his neck with a razor, Otto Stevenson, 55, hanged himself near his house early this morning. His body was found by his 17-year-old son. His health is said to have been the cause. Stevenson leaves a wife and four children.

Westville, Conn.—Joseph Murray is the owner of a car that has two months, two noses and three eyes.

Pittsburgh, Pa., July 22.—Barney Dreyfuss denied this afternoon a published report that he had asked waivers on eleven baseball players. Dreyfuss announced that he had purchased Outfielder Ralph Schaffer, of the Huntington, W. Va., club of the Ohio State league.

Brussels, Belgium, July 22.—Miss Nanette Simonetti, well known actress, was killed and several companions were seriously hurt when a touring car in which they were riding was wrecked near here today. The automobile collided with a cart.

## TEDDY ASKS FOR HEARING ON COLOMBIAN TREATY

### Three Policemen Held For Burglary

Rockville Center, N. Y., July 22.—One-half of Rockville Center's police force of six men are accused of burglary by warrants issued here today. Two of the three men, Patrolmen Ames Veritzman and Henry Wickes were arrested while on duty, the third, Rudolph Peterson, being on his vacation, is believed to be in Holyoke, Mass. The Holyoke police have been apprised by wire their houses for the summer.

"I am solely responsible for what was done," said Roosevelt. No action was taken by the foreign relations committee today by Roosevelt's request, a quorum not being present.

Senatur Stone said that he had replied that approval of the committee must be secured before the request could be granted.

Stone said if Roosevelt had anything to say now it should be told the secretary of state or the senate. "Let him communicate this in writing. Of course I am speaking for myself as there has been no action by the committee, but personally I see no reason for Roosevelt coming before us. What happened 11 or 12 years ago is of little consequence now. Some time ago there was talk of having Roosevelt come before the committee but this had died down until the receipt of the letter it having been decided there would be no hearing on the treaty."

Senator Stone made public Col. Roosevelt's letter in which he said:

"If there is any intention of your committee to act favorably on the proposed treaty with Colombia by which we are to pay Colombia's \$25,000,000 and to express regret for the action taken in the past, I respectfully request to be heard thereon. I was president throughout the time of the negotiations."

"I had full knowledge of everything of any importance that was done in regard thereto by any agent of the government and I was solely responsible for what was done. The then secretary of state, John Hay, who is now dead, had almost as a complete first hand knowledge of what occurred but no man living now except myself has this first hand knowledge and no man living or dead shared with me the responsibility for the action I took save in a wholly minor degree."

## INSANITY PLEA MAY BE LAST RESORT OF CAILLAUX'S COUNSEL

Paris, France, July 22.—As a result of his demand upon the government Maître Labori, famed as the defender of Captain Dreyfuss, today scored his first victory in the trial of Madame Caillaux.

Prosecutor Herbaix, on behalf of the government, declared in open court that the alleged Agadir document connecting Caillaux in a scandal in connection with Moroccan affairs does not exist. The announcement was immediately followed by a demonstration on the part of friends of the dead editor, counsel for the defense protesting vigorously. They declared the trial was becoming a political whitewashing for Caillaux.

Labori had demanded yesterday that the prosecution state whether such papers were in existence and declared he would withdraw unless an answer were given. The answer was given to-day that such papers did not exist.

The former prime minister vigorously defended his patriotism. He challenged anyone to show that he had ever acted with any other thought than for the glory and the advancement of the Republic of France. As Caillaux proceeded in the defense of his political acts and denouncing the measure taken in the attempt upon his character, the cheers of his friends were met by the jeers of his enemies. While he was on the stand Madame Caillaux scarcely took her eyes off him. He defended himself and defied his enemies. Labori has already indicated that when the proper time arrives a plea of insanity will be filed.

## Two Men Are Burned In A Motorboat Fire

Two men were badly burned, a motorboat was damaged considerably and Portsmouth's wharfboat was endangered by flames that leaped high when the gasoline tank in a motorboat owned by Dr. O. W. Rose exploded at 7:15 Tuesday night. The young men who were in the boat at the time of the explosion and were burned were Carl Nouriet, son of Mrs. Albert Nouriet of 1533 Eleventh street and Earl Knott of Twelfth street. They were showered with the fiery fluid, which fell all around them and for a few seconds they faced grave danger as tongues of flame danced around them and practically enveloped the boat, which was moored at the foot of Market street and directly in front of the wharfboat. An alarm was turned in from Box No. 16 at 7:16 p.m. and the Seventh street fire department and the auto truck, responded, but their services were not needed as the fire was put out by a bucket brigade before the arrival of the department.

Nouriet and Knott were taken to their houses in an automobile and their burns were dressed as quickly as possible by Dr. Chas. Wendleken. Nouriet had both arms burned very badly from the elbows down. The left side of his face was also seared by a tongue of flame and one leg was burned.

Rescues of all sorts were hastily brought into play to save the boat from being destroyed and many gallons of water were thrown on the flames with the desired effect. Chief Mutual was soon on the scene and the firemen were ready to protect the wharfboat from the flames, but their services were not needed.

Dr. Rose made an examination of his boat Wednesday morning and found that the damage caused it will not exceed \$25.

Nouriet and Knott while suffering considerable pain are not in a dangerous condition.

did program, you will be amply repaid for your time and trouble.

Tomorrow the Seemic will show the seventh installment of "Lucile Love, the Girl of Mystery." This thrilling tale of love, intrigue and adventure grows better and more interesting as each installment is shown. Don't forget it will be shown tomorrow night only. Other good pictures will also be shown.

**THEATRICAL**

The New Sun

The Kennedy & Vincent Musical Comedy company will present an entire change of program for the last half of the week. "My Cousin," at the Dreamland, the musical farce "My Country Cousin," from the Ma-

sonie Daily News:

"One of the largest houses of the season greeted Fred W. Kennedy and Laverne Vincent in the musical farce "My Country Cousin" at the Dreamland. The house is filled with the audience of the best that has been presented at the Dreamland. The stage is attractively set and costumes are attractive while the musical numbers are up-to-date and pleasing. "My Cousin" will be presented by the Kennedy Musical Company for the remainder of the week, matinees daily and two performances nightly. Audience is large and wishing hearty laughs should not fail to see this play."

Children's matinee Saturday, 7:30 o'clock. Admission 5 cents.

**"When the Tide Turns"**

"There is a tide in the affairs of men, Which, if taken at the flood, leads

on to fortune."

Shakespeare.

What a world of truth there is in these words of Shakespeare. Did you ever stop to think of it? "There is a tide in the affairs of men." Such is the theme on which, if taken at the flood, leads on to fortune."

**At the Exhibit**

A two-reel screening comedy, "The Knockout," is to be shown at the Exhibit tonight. The picture is one round of fun after another and is staged with that thoroughness for which the Keystone company is noted.

Thursday night Manager Law presents another installment of the celebrated story, "The Perils of Pauline." This serial is making a hit all over the country and in Port

land is a decided favorite. The pictures are shown every Thursday night, and as Manager Law was exceptionally fortunate, are shown shortly after their release. The story is suspensefully presented and but enough of this scene to see the play and you will find out all about it. Two pretty love stories are interwoven in the plot and there is a rich vein of comedy running through it.

**Scenic Tonight**

Tonight the Seemic has another of those all comedy programs. The first on the program is "Hib's Friend Jimmy," a rattling good Nester comedy in which a father warns his son to not bring home anything in skirts. How the son evades his father's order and finally wins will furnish many hearty laughs. William Shay and Leah Baird in "Love and Lottery" is the other comedy on tonight's bill. This splendid picture was produced in Berlin, Germany, by a strong cast of Universal stars and shows many beautiful scenes in and about this wonderful city of the Old World.

Come tonight and see this splen-

diful production.

**Satisfied customers are our best proof of honest conscientious work.**

Mr. Walt Curtis will make his initial bow this evening in a very strong dramatic role. Usual matinees will be given on Thursday and Saturday. Don't miss this play; it is a surprise.

**Attorney At Home.**

Attorney Anselm Shelton has returned from a business trip to Columbus.

**SWISH! SWISH! DISCONCERTING, ISN'T IT.**

## CANDIDATES FOR SUPREME COURT

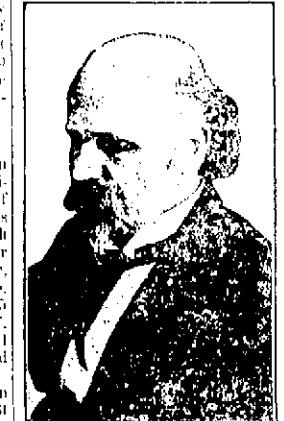

Each Party Will Select Two at August Primary.

Hon. F. M. Marriott, former Judge of Court of Appeals, Member of Constitutional Convention, and for Thirty-eight Years a Leading Lawyer, is a Prominent Democratic Candidate.

This year, for the first time in the history of Ohio, the voters of the various parties will decide by street ballot, rather than by the convention system, who are to be their candidates for membership on the bench of the supreme court of the state. The election in November for this office is on a nonparticular ballot. At the primaries each party selects its own candidates.

Three candidates are gathering the support of the democratic voters of the state for the two nonparticular seats to be made available. John J. Foster of New Philadelphia, who has served the short term, is a candidate for renomination and re-election. He has made good and undoubtedly will be re-nominated. For the place left vacant by the retirement of Judge John A. Schaefer there are two candidates for nomination, Hon. Frank M. Marlatt of Delaware and Hon. Phil Cow of Dayton.

An excess of the primary system upon the showcase which will

people, who are to choose directly their judges, instead of the various candidates, space has been granted to the candidacy of Mr. Marlatt for the nomination.

Probably no lawyer in his section of the state is better qualified for the position for which he is a candidate than Judge Marlatt. For thirty-eight years he has been in the active practice, serving in practically all the important cases in his territory for many years, and winning an esteem for his high sense of honor and integrity which has resulted in his being many times honored by his fellow citizens with positions of trust.

He was elected prosecuting attorney of Delaware county by a majority of 500 at a time when the county was almost a thousand Republican. He represented the Fifteenth-Sixteenth senatorial district in the Senate of Ohio in 1873-80, was twice a delegate to the Democratic national convention, fourteen years a trustee of the Mansfield reformatory, and although he lives in a Republican county, he was the representative chosen from Delaware to the fourth constitutional convention, in which body he was universally esteemed for his conservative conduct. A short time afterwards he was chosen to the bench of the court of appeals for a short term which then expired.

He had not expected or planned to be a candidate for office, but early this spring many of the most prominent members of the bar and judiciary of the state earnestly requested him to become a candidate for the supreme bench, and concluding with this urgency he permitted his name to be considered.

"I shall make no scruples for the place," said Mr. Marlatt. "The honor of remaining on my judicial career is so exalted a place would be one I would most greatly appreciate, but the people must choose."

With Mr. Marlatt the law is found on justice, and where justice and truth are found, there will be judgment. If nominated and elected to the supreme bench of Ohio, his standing can be no better evidenced than in the following words from former Governor Harrison, who writes:

Chillicothe, O., July 10, 1914.

I send to you some thoughts on your candidacy for supreme judge of Ohio. I have ever held the same idea I have always had that it is matter of indifference with me how Justice is to be done, so long as it is done right. I have known you long enough and well enough to be certain that that service will be faithfully, able and impartially rendered. If the voter elects you, as I hope they will, the needs of the general government will be met. Your record is excellent, but repeat them to me again, as I have done, and you will be sure to do me a service.

I am sure you have a right to expect your election, and I hope you will be successful.

With my best regards, I remain, etc.,

## THE BUYING OF DIAMONDS

The buying of diamonds or precious stones is very largely a matter of confidence. The average person cannot judge for him self as to the real value of precious stones.

It is altogether important that you make your purchase from a dealer in whom you have absolute confidence, whose guarantee means something.

We have been selling diamonds for years, we know diamond values and through our facilities for buying and our long experience, we can undersell.

You can prove this by comparison. We have a very large collection of diamonds and precious stones in those genres of the latest artistic settings.

So it is little effort to telephone your "want" to this paper, your carrier will collect the little cost—only 5¢ counts a word each insertion—and the little ad is altogether likely to get for you what you want.

**"STRONGHEART"**

This picture reproduces that great play which made Robert Edison famous.

She is here to answer any and all questions concerning love, matrimony, marriage, woes, etiquette, etc. Questions should be addressed to Miss Dolly Wise, care The Daily Times, Portsmouth, Ohio.

Dear Dolly.—Should a boy call to see a girl before dinner or after dinner, or at night, and how old should he be before he should keep company?

## COUNTRY BOY.

If you are hungry and sure of some good eats better go before dinner, then you could stay all afternoon. If they insisted you might stay for supper and that would save you the trouble of coming back after supper. You should be about 20 or 21 before you have a steady.

Dear Miss Wise.—I see in the Portsmouth Times where you help others by giving advise and will kindly ask you to help me, Dolly. Can you tell me where I can get ink for tattooing, as I would like to become a tattoo artist?

## BUTSTER.

Tattooing is a mighty poor way of making a living. If you are an able bodied man why don't you learn something worth while, and not be spending your time disfiguring people. I don't know where you could get tattoo ink, and as I said before, I wouldn't tell you if I did.

Miss Dolly Wise.—I would like to ask you a few questions, and hope there will not be so many but what you can answer them. Now Dolly, if you were corresponding with a fellow and he gets sore at you, what would you do to get him in a good humor? I am 19. Am I too young to go with the boys? I weigh 150 and he weighs 130. Should I wear my dresses long and tight?

## BLACK EYES.

If he got sore of his own ac-

cord, let him make up at his own least. You probably put the wax sweet will. It doesn't pay to buy too thick and did not polish nor a boy too much. You are old enough and weigh enough to have boy friends, and also large enough to wear your dresses long but don't wear them so tight you can't breathe. Real tight skirts are going out of fashion.

Dear Miss Wise.—Please state in the Times what will color the hair black, and what kind of dye will color the hair black, and where will I get it? W. M.

Sage tea or walnut juice will darken the hair some. You can get either at any drug store. Just ask for hair dye.

Dear Miss Wise.—Will you kindly give me the name and address of a violin or mandolin teacher in Portsmouth?

W. M.

Mr. Arthur Bode, Prof. Massopalo and Miss Alice Blake teach the violin and Mrs. F. S. Hogy teaches the mandolin, guitar and piano. You can reach any of the above named by telephone.

Prof. R. P. Seiler also teaches the mandolin, I believe.

Dear Miss Wise.—Please tell me what will take a stye off the eye? READER.

If you have a stye your blood must be in a bad condition. See a physician or take some blood medicine and the stye will soon disappear. They say that if you rub a gold ring over a stye it will disappear, but I can't vouch for this as I have never had one. I mean a stye, not a ring.

Dear Dolly.—I am a boy 17, and weigh about 125 pounds. Please tell me what will break a boy from swearing?

SUBSCRIBER.

If you haven't enough will power to stop get a little bank and fine yourself 10 cents every time you swear. Swearing, it seems, is a habit with most people, and a very bad habit at that.

EXPERIMENTER.

I think perhaps the weather has been so damp that the door has not thoroughly dried. However, if you will go over the door with a cloth wrung out of cold water and then polish with a dry cloth the floor will be O. K. This will wash off the sticky stuff and will not harm the door in the

camp, on their West Side farm, this morning for a several weeks' stay.

Mrs. Otto Stephan, who has been visiting her relatives in this city, will leave Friday for her home in Cincinnati.

Mr. and Mrs. Charles Wertz and family have returned from an outing at their camp near Sciotoville.

Mrs. Guy Williams and little son, Guy, Jr., spent yesterday at the home of Miss Mabel King, in Kentucky.

The Second Presbyterian Woman's Missionary Society will hold an all-day sewing next Wednesday at the church, where garments will be made for a box to be sent to Korea.

Miss Emma Schmid, of Mama's Run, entertained the Gleaners class of the German Evangelical Sunday school last evening at her pretty home. There were ten present. A business meeting was followed by a social hour, when ice cream and cake were served. Delightful music was rendered by Miss Margaret Kugelman, an accomplished musician of the class. The place for the next meeting will be announced later.

Mr. and Mrs. J. S. Straus, Mr. and Mrs. A. S. Turner, Mr. and Mrs. Carl Hansen, Mr. and Mrs. Oliver Chapman and daughter, Marie, and Mrs. P. A. Warwick, of Lebanon, O., and Miss Mary Fenton have returned from Arizon, where they enjoyed camp life for ten days. They report having a most delightful outing.

Miss Emma Partee left Wednesday for Springfield after a visit with her parents on Seventh street.

Mr. and Mrs. Charles V. Brobeck, of Mt. Auburn, Cincinnati, are the guests of Mr. and Mrs. Frank Mineo of Twelfth street.

Mr. G. D. Francisco, of the Terminal, left Tuesday morning for Columbus, where she will visit her aunt, Mrs. Wyke.

Mrs. Albert Ginn has gone to her home in Rockport, W. Va., after a few days' visit in this city.

Mr. and Mrs. Alvin Chidlett are spending this week at Cedar Point.

Mr. and Mrs. Harry L. Moore gave a delightful surprise party recently in honor of Miss Adelaidie Vernier's birthday, at the home of her mother, Mrs. Emma Vernier, of the West Side. The evening was spent in music and dancing, and refreshments were served to the following guests at a late hour: Mr.

and Mrs. Harry L. Moore and daughter, Mary, Mr. and Mrs. Jack Kellebaugh and son, Gordon, Mr.

and Mrs. Joseph Montavon and children, Alfred and Ethel, Mr. and Mrs. Lawrence Zuelke, Mrs. Mary Hudler, Mrs. Elizabeth Simon, Mrs. Katherine Montavon, Mrs. Emma Vernier, Mary and Ethel Smith, Margaret and Agnes Vernier, Gertrude Joengen, Mary Orford, Marian Zuelke, Nola Harrison Terese and Margaret Graf, Josephine and Louise Montavon, Mary Marjorie and Ruth Thirkettle, Ruth and Dorothy Nutter, Mary and Marie Harper, Ruth Patton, Berrie Kinney, Anna May, Anna Morris, Madeline Recare, Helen Downing, Margaret Stadler and guest, Elizabeth Mosberger, of South Webster, Vendette Woods, Mildred Gafford, Bessie Bush, Dennis Gior and Katherine Burns.

Mrs. Henry Smith and Mrs. Clarence Noller entertained the young girls of Mrs. Smith's class of the Second Presbyterian Sunday school yesterday on an outing to the Kentucky hills. They started at six o'clock and went first to the Dressler home, on the hillside, where they were joined by Katherine, Donald and Howard Dressler. The pleasure began by cooking breakfast,

which was served by Miss Helen Dowling's side of the class, which were the winners in a recent contest. At noon Miss Madeline Recare's side, the losers, served an excellent dinner. The girls enjoyed running about the hills so much that the day was entirely too short and all were sorry when time came to start for home. In the party were Dorothy Marjorie and Ruth Thirkettle, Ruth and Dorothy Nutter, Mary and Marie Harper, Ruth Patton, Berrie Kinney, Anna May, Anna Morris, Madeline Recare, Helen Downing, Margaret Stadler and guest, Elizabeth Mosberger, of South Webster, Vendette Woods, Mildred Gafford, Bessie Bush, Dennis Gior and Katherine Burns.

The Jackson Herald, of Wednesday said:

"Mrs. Rebeca D. Bussey, of Portsmouth, better known among her many Jackson friends as 'Aunt Dug' Davis, accompanied by Mrs. Dr. Allard, came up Monday to spend a day among friends. Mrs. Bussey came to pay a fond visit at the grave of her mother, who died thirteen years ago, and who, had she lived, would have been one hundred years old Monday. Mrs. Bussey is a most interesting elderly lady and we were much pleased to make her acquaintance when she paid a pleasant call at our office. She is in excellent health and feels thankful that she has been granted a privilege not given to every child. Mrs. Allard is a niece of Mrs. Bussey's mother and also feels the importance of the day of their visit not only as the birthday of her aunt, but as the day marking the thirty-fourth anniversary of her own happy wedded life."

They returned after making several social calls, on the evening train to their homes at Portsmouth."

Mrs. Margaret Wertz gave a delightful sewing party this afternoon, honoring her cousin, Miss Marie Shagle, of Centerville. At the end of the afternoon's pleasure, dainty refreshments were served to Misses Katherine Appel and cousin, Marie, and Mary Stephan, of Cincinnati; Bessie Schaefer, Geneva Huddleston, Madeline Radcl, Alberta Lasher, Margaret Werner, Margaret Torges and Selma Lindemeyer.

Miss Verger was the recipient of many beautiful presents and also of a lovely birthday cake with the requisite number of candles. The guests departed, wishing Miss Verger many more happy birthdays.

### Short Corn Crop Says Judge Bannon

"The rains of the past few days have helped the corn crop immeasurably, but the seven weeks' drought prior to the rain will cause the corn crop to be short this year and will result in the corn itself being short and undersized," said Judge J. W. Bannon Wednesday, in discussing the present corn crop.

indications that the interference of the King in active politics may have troublesome results.

Just before going into the meeting, Sir Edward Carson, leader of the Ulster Unionists, the anti-Home rulers, in the north of Ireland, told his colleagues that he would not tolerate a middle course.

On the other hand, John Redmond and other leaders of the Irish Nationalists, the Home Rule supporters, are equally determined. The conference was in session an hour and a half. When the representatives left a hearty ovation was given to Mr. Redmond and Mr. Dillon, the two Nationalist leaders.

Speaker Lawther announced that another session of the conference would be held tomorrow. Few expect an agreement will be reached by this conference, the expiration of the coalition.

The property in question has a frontage of 20 feet, which would indicate that property in that particular section of the city has a valuation of \$1250 per foot frontage. It is almost a certainty that within the next five years work will be started toward converting the property into an elegant permanent bank structure to be occupied by the new owners.

## SETTLEMENT OF RWY. ROW DIFFICULT

Chicago, Ill., July 22.—That the engineers and railroad managers were as far from a settlement as when negotiations were broken off was the statement of a man closely in touch with the situation today when the third day of conferences between representatives of both sides with the federal mediators began.

Commissioner Chambers of the mediators refused to discuss just what results had been accomplished but admitted the wage difficulty of the railroad men was the most difficult piece of mediation that confronted the commission.

Unconfirmed reports said that the situation was extremely tense and it was doubtful now whether the engineers and firemen would consent to arbitrate their differences with the railroad managers.

With a scream Mrs. Brumner fell mortally wounded, and died a short time later, while the child was so severely wounded that no hope for recovery were entertained, it was declared.

## Tragic Accident In Which Husband Shoots Wife & Babe

Bruton, O., July 22.—Information, day night, and took her babe and received by relatives in Lawrence county was to the effect that Tom Brumner, son of Harrison Brumner, of Getaway, Lawrence county, had been fast asleep when his wife went to the outside, and hearing a noise on the outside, thought the house was attacked by burglars, so brought forth his shotgun and An infant son, which the wife held fired at the moving objects on in her arms, the message stated, was also mortally wounded.

The tragic accident occurred Monday night, from the particulars of the messenger, it seems that Mrs. Brumner's wife had been unable to sleep on account of the heat Monday.

With a scream Mrs. Brumner fell mortally wounded, and died a short time later, while the child was so severely wounded that no hope for recovery were entertained, it was declared.

City and county officials have busied themselves within the past two days figuring out to what extent the legislation passed at the special session of the state legislature Monday would affect the tax rate for the coming year. The entire reduction in the state levy is 51 cents on each thousand dollars on the tax duplicate, the levy being 45 cents per thousand this year as against 96 cents per thousand last year. Twenty cents per thousand of this reduction is on the road levy, and twenty-eight cents per thousand on the common school levy. The remaining three cents per thousand is divided between the sinking fund and the university levy.

Last year the tax rate in the city was \$1.45 per \$1,000, and should the county, municipal, and school levies remain unchanged, the rate for the coming year will be \$1.40. Of this amount twenty cents was voted by the voters of Scioto county themselves for a period of five years for road improvement, while 10 cents was fixed for sinking fund purposes.

It is evident from the above that the one per cent law has been an unqualified success in Portsmouth and Scioto county, since the good roads levy and the sinking fund levy is not taken into consideration in the one per cent law. Deducting those additional levies, which are arbitrarily fixed, the former by the people, and the latter by the sinking fund trustees, the rate in this city would be \$1.01, under the new arrangement.

The tax duplicate for Scioto county for 1913 aggregated approximately \$25,000,000. District Tax Assessor Hughes estimates that the increase this year under the Warner law will be about \$5,000,000, of which amount \$4,000,000 is in the city, and the remaining \$1,000,000 in the rural communities. Under the old duplicate and rate, \$25,000,000 was raised last year under the state roads levy, and \$16,750 from the common school levy. This year, with the new tax duplicate and new rate, \$16,500 will be raised on the road levy and \$3,000 for common school purposes. These latter figures are based on Mr. Hughes' estimate, which is a conservative one. No alarm need be felt on this account, however, as the bul-

letin states: "The tax duplicate for Scioto county for 1913 aggregated approximately \$25,000,000. **THE OHIO STATE LEAGUE UNDERGOES REVAMPING****MAYSVILLE DROPS,  
LIKEWISE HUNTINGTON,  
NOW 4 CLUB LEAGUE**

Once again has the classy Ohio State league undergone a revamping.

At a meeting of the magnates held at Huntington Tuesday evening and which was attended by President William N. Gable, men and Director William F. Zottman, representatives of the Portsmouth club, it was finally decided to drop two of the cities, Huntington and Maysville, and continue the season with four clubs, namely, Portsmouth, Chillicothe, Charleston and Lexington. A meeting to be held tonight at the Washington hotel, a new schedule to be adopted and an inventory taken of the players on the Huntington and Maysville clubs. It is likely that Portsmouth will secure at least two players from the defunct teams, in which place considerable strength will be added to the ex-champs, who are going to set sail for the second half pennant and who will make an extraordinarily hard bid for the gonfalon.

At the meeting in Huntington last night overtures were made to certain Ironton citizens who expressed a willingness to take over the Huntington team and finish the season. Mayor Hamm and Messrs. Harry and John Truby were offered the team, free of debt and all salaries paid, providing they would post a sufficient forfeit that they would finish the season. Matters looked quite promising for a time and the magnates thought until today noon that Ironton would take over the team. However, President Gableman received a wire notice from Secretary Joe Carr to-day noon that the would-be Ironton magnates refused to put up a red cent as a guarantee that they would complete the season, and negotiations looking to that end in view were immediately called off.

Huntington, W. Va., July 22.—With their minds set on football, the directors of the Blue Sox went into the meeting of the Ohio State league yesterday afternoon and said: "There is no use of putting off a few minutes session, the good money where you have lost." Work had been done. Huntington President Read began packing his bag quickly erased from the organization map. President came in.

President Gableman received a wire notice from Secretary Joe Carr to-day noon that the would-be Ironton magnates refused to attend the meeting.

The team finished its career last night. The league was disbanded. It is said the home of the Senators is backball and since the here by winning the last game team is up at the top and look like the Burkes yesterday by a pennant winners. President R. R. Moore of eight to ten. The Pennwittys, of Maysville, did not players will get their salary, if even attend the meeting. He sent his proxy, saying he was in to stay.

was stated last night. The league has one thousand dollars forfeit! Those who attended the meeting money placed with the officials to guarantee finishing the season. This, with the sole money ready, \$1,250, more than enough to meet all indebtedness, Dr. R. Stern declared.

The Maysville club owners, who are game to the cure, had spoken with the officials at the meeting and stated they would stick providing the league was composed of six teams. However, as soon as they learned that Ironton could not produce, they handed over the players and funds.

In this particular it is only well to state that the Ironton people lost a splendid opportunity to get back into organized baseball, and at a time, too, when there was no change to lose. The team would have played there on six Sundays and a terrible fate just a few weeks ago following the series to run, the outlook from a financial standpoint was very encouraging indeed.

The dropping of Huntington and Maysville will result in the change of the schedule and Portsmouth fans will benefit by it, temporarily at least, for this will throw the Charleston team in Ironton. Secretary Joe Carr remained to help get things in shape. President Read left for Miami due to a company the Columbus Senators on their Western trip.

**2 Candidates  
Are Admitted**

The Loyal Order of Moose at their meeting Tuesday night initiated two candidates. A large class of candidates will be taken in when the weather cools off a little.

It has been known here for the last three weeks that Huntington has been settled once for all. With Portsmouth grip. There were those who were ready to say that the team would not start the second half, but the organization will be stronger than local directors thought they saw ever and the race more interesting than ever. These men attended the reorganized four cities are bound to stick and another meeting at Ironton on July 26, greater interest than ever will be when Ironton was transposed. The Nubbers were said to have created. It means plenty of baseball for Portsmouth, and as the Huntington men were ready to make the second team, the league should be crowded to the grandstand ratings. Portsmouth fans now have a chance to show these defunct cities what a live baseball center they live in. If the team here ever finds itself in need of financial assistance it will be forthcoming and the club owners can rest assured of that fact.

The meeting tonight at the Washington hotel will be attended by President Sherrill of Chillicothe, President Tom Sheets and Mr. Looney of Lexington, President Gableman and Vice President Zottman of Portsmouth, and Secretary Joe Carr of Columbus. The Charleston team will be represented by proxy. Messrs. Sheets and Looney of Lexington are both here, they being the guests of Vice President Zottman, who has been motorizing them about the city.

The members of the United Brethren church will hold their regular quarterly meeting at the church Wednesday evening. Di-

rector Superintendent R. A. Hart will preside at the meeting. There is much business of importance to be transacted.

The matter then turned over at

hand. The team played at

home nearly a week and was to

ascend any better treatment

than in the eight club days. This

disbanded the directors of the correspondence by blowing the Huntington horn. Everyone, except for a few, who already had

left before the team left on the trip which it is now making.

Then a few of the business men

were seen in order that a sum

of \$1,500 could be raised.

About half of the money

needed was raised but no more

was available.

Then President Read took a
